

SWCFC and SWPSG FC Venue Risk Assessment – Radwinter Recreation Ground

31 July 2020

1. Venues

Radwinter Recreation Ground

2. Club Insurance

SWCFC and SWPSGFC are covered by BlueFin public liability insurance policies. Schedule and policy documents can be provided on request from the SWCFC or SWPSGFC committee.

3. This risk assessment is valid at 31 July, in accordance with latest FA and government guidance to cover Covid-19 and other identified risks. It shall be updated when either (a) guidance and advice changes and/or (b) activities undertaken change.

4. Identified Risks

a. Communication with parents and stakeholders.

Special measures for running and organising a football training session, including contact training will be most effective if all stakeholders adhere to them. The club has produced its own guidelines and process, so that everyone knows what to expect and what is expected of them. These guidelines are based on the national guidance and best practice. Stakeholders will be asked to:

- i. Not attend if any of their household has shown covid-19 symptoms within the last seven days.
- ii. Bring their own water-bottle
- iii. Adhere to safety rules as published by the club

- b. The club will take all consent and contact details from the player or parent/guardian as appropriate. This data will be stored safely to avoid any GDPR breaches. It shall be collected via email, with a clear consent statement to taking part in the activities and also that players nor participants have shown symptoms in the last 7 days.
- c. The facilities and equipment will be segregated between drop-off and playing areas. The club full guidance notes explain how this will be arranged to maintain 2 metres social distance. Special PPE equipment will be used in case of emergency first aid. Hand washing facilities are also in place. The Rec has space for car parking and drop off areas.
- d. Equipment use will be limited and rules for touching and sharing equipment will be read out to all stakeholders before each session.
- e. An individual Coaches' checklist (see template on club website) will be produced for each session. This will be available to parents and players on request from the coach.

Venue Risk Assessment		Date	31/07/2020	
Venue Address	Radwinter Recreation Ground, Radwinter	Insurance provider	BlueFin insurance	Policy – (SWPSGFC) Policy Ref 24786662 Club Name: Saffron Walden Community FC Bluefin Sport Ref: 37409188
